

ONE LOCATION. MANY BENEFITS. PORTNEUF'S NEW FACILITY OPENS 2011

Portneuf Medical Center is on its way to fulfilling its vision "to be a single campus regional referral center with well defined centers of excellence, serving Eastern Idaho."

Our recent partnership with LHP Hospital Group, Inc. means a new hospital will become a reality in mid-2011. **This new single-campus facility will be the most advanced medical center in the state of Idaho.**

Construction managers, designers, and architects from Portneuf and LHP have been hard at work planning and implementing the largest single construction project in Pocatello's history – the **completion of a \$150 million regional medical center in the incredible span of just 24 to 30 months.**

Sometime in the middle of 2011, dignitaries and members of the community will gather to open the new doors of Portneuf Medical Center. The hospital will become a true regional referral center, serving the health care needs not only of Pocatello and Bannock County but of the entire region.

One medical center, one location, many benefits. The future of health care in southeast Idaho looks bright, indeed.

For project updates visit www.portmed.org/newhospital.

NEW HOSPITAL FEATURES

- 187 beds
- 297,500 new square feet
- 37,000 renovated square feet
- All private patient rooms
- Specially designed labor and delivery rooms
- Dining facilities with room service
- 400+ jobs during construction period
- "Green" attributes such as:
 - ◆ Low emissions materials
 - ◆ Recycled materials
 - ◆ Low reflectivity roof
- Conference/education center

ADDITIONAL PROJECT HIGHLIGHTS & BENEFITS

PMC SERVICES

- Inpatient and Outpatient Surgery
- Cardiovascular Surgery
- Cardiac Catheterization
- Oncology – Medical Radiation, Chemotherapy, and Infusion Therapy
- Endoscopy
- Pain Management
- Two CT/MRI
- Emergency (24/7)
- Observation
- Inpatient Medical/Surgical
- Cardiovascular Surgery & CVICU
- Telemetry
- Obstetrics
- Labor and Delivery
- Post Partum
- Primary Care Clinics
- Well Baby Nursery
- Neonatal Intensive Care Unit
- Pediatrics
- Behavioral Health – Inpatient and Outpatient
- Rehabilitation
- Imaging
- Nuclear Medicine
- Conference and Education Center
- Sleep Lab
- Wound Care
- Orthopaedics

HIGHLIGHTS

- JCAHO Accredited
- HealthGrades Award for #1 in Idaho for Coronary Intervention and Five Star Award, Three Years in a Row for Coronary Bypass Surgery
- 25 Years of LifeFlight Operation
